Reason for amalgamation	
If appropriate, briefly include any relevant background information. This may be stored in the Heritage Collection to help us understand and share the local history of groups. Please do not include any personal information.	
The three scout groups in Camberley are struggling with youth members, leaders and Executive members. They are already working closely together and run joint meetings. The amalgamation of these groups into one strong Camberley scout group would provide more resilience and opportunity for scouting in Camberley to grow. It would also reduce premises costs as currently the groups operate from three separate buildings.
